

Web privacy policy for those visiting the lutech.group site

Pursuant to EU Regulation 679 / 2016 (hereinafter referred to as the “GDPR”) and Italian Legislative Decree no. 196 / 2003 (hereinafter referred to as the “Privacy Code”), this privacy statement describes the methods adopted to process the personal data of users/ visitors consulting the official Lutech SpA website at the address: lutech.group and relevant subdomains.

This information applies exclusively to the Lutech group website and relevant subdomains and information transmitted when consulting external or third-party websites via hyper-textual links published on Lutech SpA sites are therefore not covered by this statement, but refer or may be traced to resources external to the company. Lutech SpA guarantees compliance with data protection legislation in keeping with the principles laid down in the Lutech Code of Ethics. Users/visitors should read this Privacy Policy carefully before passing on any kind of personal data and/or completing any online form found on this website.

Data Controller and Authorized processors

The Data Controller is Lutech SpA – with registered office at Via Massimo Gorki, 30/32C, 20092 Cinisello Balsamo (Milan), – and may be contacted by data subjects wishing to exercise their rights indicated and recognized in the GDPR, from article 15 to 22. Data concerning you will be processed by Authorized Processors, acting as persons in charge of processing supervised by the Data Controller and subjects delegated by it.

Data Protection Officer

In accordance with art. 37 of the GDPR, Lutech SpA has appointed the Data Protection Officer (DPO), Via della Moscova 18 – 20121-, Milan, who can be contacted at the following address: dpo@lutech-group.com

Legal Basis and processing methods

Lutech SpA processes personal data mainly on the basis of consent given by users/visitors. Consent is obtained via the browser, or when using or visiting the website, interpreted as conduct implying intent. When using or visiting the website, users/visitors approve this privacy statement and give their consent to the processing of their personal data with reference to the methods and purposes described below. Personal data are processed using automated tools (e.g. with the use of electronic procedures and media) and/or manually (e.g. on paper media) for the time strictly necessary to achieve the purposes for which they were collected, and, in all cases, in compliance with the relevant legal requirements.

Rights of data subjects

Pursuant to the GDPR and the Privacy Code, the user, in his or her capacity as data subject, may, in the manner and subject to the limitations envisaged in current legislation, exercise the rights envisaged in articles 15 to 21 by completing the form available on the Lutech SpA website at the following address: <https://lutech.group/en/privacy-rights/>

Type of data processed and purposes of processing

1 NAVIGATION DATA

During their normal operation, the IT systems and software procedures which operate this website acquire certain personal data, the transmission of which is implicit in the use of Internet communications protocols. These data are used for the sole purpose of obtaining statistical (and therefore anonymous) information concerning use of the site and to check that it is operating correctly and they are deleted immediately after processing. Data concerning web contacts are not stored for more than seven days, unless required for investigations into IT crimes against the website. No data deriving from the web service are disclosed or disseminated.

2 DATA SUPPLIED VOLUNTARILY BY USERS/VISITORS

When, while connecting to this website, users/visitors send their own personal data in order to access particular services or to make email requests, the sender’s address and/or other personal data are obtained by Lutech and will be processed exclusively for the purpose of satisfying the request or supplying the service required.

Personal data supplied by users/visitors will only be transferred to third parties if this is necessary in order to satisfy their requests.

3 THIRD-PARTY COOKIES

This website uses cookies, which are text files stored on the user's computer, to allow the website to function more efficiently, to simplify browsing by automating a number of procedures and to analyze how its visitors use the site. When using the site, the user expressly gives his or her consent to the use of cookies, but can refuse to do so at any time by deactivating the use of cookies on the browser (see paragraph 4).

Lutech works with third parties, carefully selected and monitored, who may install cookies on the user's terminal via the Lutech Group website (referred to as "Third-party Cookies"). Such parties include, for example, technology suppliers, providers of sponsored content and external research firms. Third parties are directly responsible, in their capacity as Data controllers, for cookies installed by them via the Lutech Group website, as well as the manner in which they are processed. A list of Third-party links is set out below to enable you to consult their privacy statement and choose how cookies are to be used.

- #### Google Analytics

These are monitoring cookies used to generate statistics on the use of the website. On our website, Google Analytics uses cookies which do not store personal data and are stored on the user's computer in order to allow the website provider to analyze how users utilize it.

Link: <https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage>

COOKIE NAME	EXPIRY	DESCRIPTION
_ga	2 years	Used to distinguish users.
_gid	24 hours	Used to distinguish users.
_gat	1 minute	Used to throttle the request rate. If Google Analytics is distributed via Google Tag Manager, this cookie will be referred to as _dc_gtm_<property-id>.

- #### YouTube

When a web page is displayed on our website with an incorporated YouTube video, YouTube creates at least three cookies: VISITOR_INFO1_LIVE, use_hitbox and PREF. The website incorporates video contents from YouTube. As a result, when you visit one of these pages, the YouTube cookies, which we do not control directly, may be placed on the computer.

Link: <https://policies.google.com/>

COOKIE NAME	EXPIRY	DESCRIPTION
PREF	8 months	Used to incorporate YouTube videos
VISITOR_INFO1_LIVE	8 months	Used to incorporate YouTube videos
GPS	1 minute	Contains a unique ID assigned to every mobile device. It is used to track the device on the basis of its GPS coordinates. Duration: end of session.

- **In-recruiting**

The session cookies used on this website mean it is not necessary to use other data processing techniques which potentially compromise the navigation privacy levels for users and they do not allow the acquisition of personal data which can identify the user.

Link: <https://www.in-recruiting.com/it/cookie-policy/>

COOKIE NAME	EXPIRY	DESCRIPTION
PHPSESSID	1 minute	Used to distinguish users.
NID	8 months	Google Analytics Cookies
_ga	1 minute	Google Analytics Cookies

4 DISABLING COOKIES

As cookies are connected to the browser used, **THEY CAN BE DISABLED DIRECTLY BY THE BROWSER**, refusing/withdrawing consent to use cookies. It should be borne in mind that disabling cookies may prevent the correct use of certain functions on this website.

Instructions on how to disable cookies can be found on the following web pages:

Mozilla Firefox – Microsoft Internet Explorer – Microsoft Edge – Google Chrome – Opera – Apple Safari

5 ANONYMOUS NAVIGATION

If the user chooses not to consent to the use of the aforementioned cookies, we invite him/her to use the anonymous navigation tool provided by practically every browser. In this way, all the cookies collected will be automatically deleted as soon as the anonymous navigation window is closed.

6 PERSONAL DATA ON FORMS

Subject to the terms applying to navigation data specified under point 1 above, users/visitors are free to provide their personal data when filling in forms. Failure to provide these data may make it impossible to obtain what has been requested. Users are asked to read the information provided for each form.
